Job Description

This job description is not an employment agreement or contract. Management has the exclusive right to alter this job description at any time without notice.

The Plumbing Exam Center Maintenance Specialist performs routine building maintenance and construction work. Work involves maintaining and repairing buildings, utility systems, and stationary equipment; and operating motorized equipment and vehicles. Works under moderate supervision, with limited latitude for the use of initiative and independent judgment. This position will be headquartered at the Waco Examination center. This position works closely with the Exam staff to administer plumbing examinations and maintain equipment in the Waco Exam Center. The position may be required to travel to other exam centers in Austin and Harlingen.

These positions can be filled with full-time staff.

Attendance and punctuality are required work attributes. This position is not eligible as a work-from-home position.
